

FOR IMMEDIATE RELEASE

Business Manager Hired for Community Facility

DRUMHELLER, August 16, 2011 – The Town of Drumheller is pleased to announce that a business manager has been hired for the Badlands Community Facility.

Guy Latour will join the town staff on August 29, 2011. Mr. Latour has a Bachelor of Physical Education in outdoor pursuits from the University of Calgary. He brings considerable professional experience to the position with a wide range of experience in building community recreation and managing recreation facilities and properties.

The Town of Drumheller identifies the Badlands Community Facility as the community's future social and cultural hub, where an incredible range of activities will take place including casual and competitive sports and recreational activities in addition to local and regional community events.

It is anticipated that the Badlands Community Facility will also provide a top notch venue for growing Drumheller's reputation as a major Alberta destination for sports and business tourism.
