

DRUMHELLER RECYCLING ASSOCIATION

SORT LIST

2010

While practically all paper is recyclable, the markets and economics dictate what products are viable to collect and process.

In order to encourage "separation at source" recycling, please collect and sort your recyclable materials as follows:

- CARDBOARD**
- clean & dry, corrugated boxes. No waxed boxes.
 - please remove plastic liners, wood inserts, packing etc.
 - all box board, ie: cereal, soap or dry food boxes.
Please remove plastic liners.
 - brown paper bags & brown paper envelopes.
- NEWSPRINT**
- clean & dry newspapers, T.V. times, Auto Traders etc.
 - any flyers that come with the newspaper may go with the newspaper.
 - glossy magazines with staples.
- MAGAZINES**
- any glossy catalogues
 - glossy manuals of magazines with a glue or string binding.
- OFFICE PACK**
- any type of computer paper.
 - white bond office paper, loose-leaf, photocopy paper, tablet paper blank or with one color of print.
 - any color of bond paper, loose-leaf paper, "post it" notes.
 - N.C.R. paper (no carbon required).
 - file folders (with no plastic or metal).
 - colored and white envelopes with or without windows.
 - thermal fax paper.
 - Birthday, Christmas, Get Well Cards (Non-glossy, No foil or Plastic)
- METALS**
- You may rinse the tin cans, remove label and flatten for easier storage and transporting, however it is not necessary for our process.
 - Please do not mix with aluminum or bimetal cans.
 - Metal tops from glass jars are acceptable, please be sure to remove plastic or paper seals from inside the lids.
 - DO NOT INCLUDE beer caps, bottle caps or canning lids that have plastic or rubber liners.
 - DO NOT include paint cans, aerosol cans, propane tanks, gasoline or fuel containers, batteries or foil products.
- HOUSEHOLD PLASTICS**
- All household plastics grades 1-7, excluding STYRFOAM
 - ALL plastics must be clean and contain no contaminates such as steel handles, or foil seals.
- FILM PLASTIC**
- All plastic films which includes; grocery bags, plastic film from Toilet Paper and Paper towel packaging, bread bags, freezer bags (no food residue)

For the convenience of Town of Drumheller and surrounding residents there are drop off trailers located at the Drumheller Coop parking lot and the Town of Drumheller parking lot beside the Shoppers Drug Mart for all your recycling materials.

The Drumheller Recycling Facility located at the Drumheller Regional Landfill is open: Monday thru Friday from 8:00 a.m. to 4:30 p.m. For further information please call the Drumheller Recycling Facility at (403) 823-1345.
