2010 SPRING CLEAN UP THE ANNUAL SPRING CLEAN UP FOR DRUMHELLER IS MAY 3-13

Complete Information is in The Drumheller Mail, on our website, and
flyers have been mailed to all households in the Drumheller Valley.
Go to our home page at www.dinosaurvalley.com

The Town of Drumheller Infrastructure Services
Department, in conjunction with the Drumheller
Fire Department, will be conducting a town-wide
Hydrant Flushing Program.

A good fire hydrant maintenance program will ensure
operational reliability in the event of a fire. This program
will commence on May 5th, 2010 and last for
approximately four to six weeks.

Below are some of the reasons for flushing hydrants:

1. To maintain the highest possible standard of drinking
water set for the by Alberta Environment.

2. Flushing the hydrant will ensure ease of operation and will allow staff to take necessary
flow and pressure tests.

3. Maintenance of hydrant parts are exercised at this time to ensure ease of operation
for fire department personnel.

During our 2010 Hydrant Flushing Program, there will be areas within our Town that
may encounter discolored water for a short period of time. This is normal for the clarity
to become somewhat disturbed. However, this does not indicate that the water is
contaminated or unsafe for consumption. In the event that you find your household or
place of business with discolored water, just simply allow your cold water faucets to run
for a minimum of five minutes and the problem should resolve itself.

We apologize for any inconvenience this may cause.

Throughout this flushing program, if there are any questions or concerns,
please contact the Infrastructure Services Department at 823-1330.

Did You Know

If you are doing renovations on your property and require a dis-
posal container, Drumheller Community Enforcement would
like to remind you that in accordance with the Traffic Safety Act
and Bylaw #28-98 Waste Removal and Disposal; the placing of
containers on streets within Drumheller is prohibited unless a
permit application is completed and Approved by Infrastruc-
ture Services and Community Enforcement.
Cooperation in improving safety within our community is ap-
preciated.

For more information, please contact the Community Enforce-
ment Supervisor at dnundahl@dinosaurvalley.com or by calling
403-823-1363.
