Be sure to take in Christmas in July this weekend.

Starting July 19th, 2010 the Town of Drumheller's automated garbage cart program will be fully implemented.

We thank the residents for their patience in this transition period. During this change the waste collector had collected refuse from your old bins as well as the new carts. Now that all residents have been supplied with the new carts, starting Monday July 19, 2010 only the new cart will be picked up. Residents who may not have received a cart yet are asked to contact us at (403) 823-1330.

Again, we thank you for your cooperation and assistance in helping the program move forward.

Attention:

If you are involved in a sports or recreation group then be sure to attend the Sports and Recreation Expo 2010. This expo is hosted by the Drumheller Gymnastics Club and the Town of Drumheller.

Don't miss this opportunity to showcase what your club or business has to offer. This is an ideal night for people to register for your program and it is an ideal night for you to demonstrate what your organization provides.

Date: September 1st from 3:00 pm -8:00 pm
Place: Stampede Barn

To Reserve your table/demonstration, contact Judy at 403-823-1324

Did You Know

The Town of Drumheller's Land Use Bylaw, Part 7, Section 41 Fences and Hedges states:

- In a residential district, a fence or hedge located within a rear or side yard of a lot shall not exceed 1.8m (6 ft.) in height.
- In a residential district, a fence or hedge located within the front yard of a lot shall not exceed 1.2m (4 ft.) in height.
- In a residential district, a fence or hedge located within a corner lot shall not exceed 0.91m (3 ft.) in height in the front yard.
- Swimming pools shall be fenced with a minimum height of 2m (6 ft.) and a maximum height of 2.5m (8 ft.) to the satisfaction of the Development Officer.
- Materials used to construct fences can be wood, brick, stone, concrete, or metal. Barbed wire and electric fences are not permitted in residential areas.

For more information please contact the development officer at 403.823.1310

Volunteer Fire Fighters...

Thank you to the residents who volunteer with the Fire Department. They are on call every day of the year. There may be times that you could come upon a volunteer firefighter's vehicle while they are rushing to a call. (They have a Drumheller fire fighter license plate and during an emergency call out their four way flashers are engaged) When you see this situation please show the same courtesy you would for any other emergency vehicle.
